

MUZAMMIL AHMED KHAN

Full Stack Web Developer

alisam991@gmail.com | +92-333-8989309 | linkedin.com/in/muzammil | github.com/muzammil309

PROFESSIONAL SUMMARY

Results-driven Full Stack Web Developer with 3+ years of experience building high-performance websites and web applications. Skilled in WordPress, Shopify, Webflow CMS, Next.js, React, HTML, CSS, and JavaScript, with expertise in AI-assisted development using Claude, Codex, and Gemini. Passionate about creating scalable, user-focused digital solutions with clean code and modern development practices.

WORK EXPERIENCE

Full Stack Developer | TechSolutions Pvt. Ltd. | Jan 2025 – Present

- Delivered 30+ custom web projects including SaaS applications, eCommerce stores, LMS platforms, and high-converting landing pages for global clients.
- Built scalable and responsive applications using WordPress, Shopify, Webflow CMS, Next.js, React, JavaScript, HTML, and CSS.
- Collaborated with designers and stakeholders to transform Figma designs into production-ready solutions while maintaining performance and accessibility standards.
- Utilized AI-assisted coding tools such as Claude, Codex, and Gemini to optimize development efficiency, automate repetitive tasks, and accelerate feature delivery.

Junior Software Developer | XYZ Technologies | Jan 2024 – Dec 2025

- Built responsive front-end interfaces using React.js and Tailwind CSS.
- Integrated third-party payment APIs including Stripe and JazzCash into existing platforms.
- Wrote unit and integration tests using Jest, achieving 80%+ code coverage on key modules.
- Participated in daily standups and bi-weekly sprint planning under Scrum methodology.

Software Engineer Intern | DEF Tech | Sept 2023 – Dec 2023

- Developed and maintained custom WordPress and Shopify websites, converting design mockups into responsive, user-friendly web experiences while optimizing performance and functionality.
- Optimized website SEO and page speed to enhance search visibility and user experience.

EDUCATION

BS Software Engineering | IQRA NATIONAL UNIVERSITY OF PESHAWAR | 2020 – 2024
